

Chaverware™ Credit Card Processing

Partnership has its privileges – **Elavon Inc.** (Formerly NOVA Information Systems) and **Circuits & Systems Computers & Peripherals Inc./ Chaverware™** are working together to offer you special discounted rates for your merchant services program. Now you will be able to process your credit cards directly in your Chaverware™ software, and have the transactions transmitted by Elavon Inc. directly to your bank. By doing this from within Chaverware™ you have no additional costs for equipment or software, no extra steps, and virtually no learning curve. You can also receive a free rate comparison, even if you are currently processing with another payment provider – you have absolutely nothing to lose!

Please call Glen Green of Elavon at **800-226-9332 x 5311** and mention promotional code **#82029** to receive your member discounted rate and application.

Rates and Fees

Instead of a paying a percent of each transaction along with a per transaction fee, we have negotiated pricing with Elavon that is based directly on the Interchange Assessments and Settlement Rates published by VISA/MasterCard and Discover and paid directly to the issuer, plus a **nominal .35%** on each transaction paid to Elavon.
